And the Secretary of Agriculture is hereby authorized to make such appointments, promotions, and changes in salaries, on the lump funds of the several bureaus, divisions, and offices of the Department as may be for the best interests of the service: *Provided*, That the maximum salary of any classified scientific investigator in the city of Washington, or other employee engaged in scientific work, shall not exceed three thousand dollars per annum. And the Secretary of Agriculture is hereby authorized and directed to pay the salary of each employee from the roll of the bureau, independent division, or office in which the employee is working and no other; and he is further authorized and directed to submit to Congress each year a statement covering all appointments, promotions, or other changes made in the salaries paid from lump funds, giving in each case the title, salary, and amount of such change or changes, together with reasons therefor.

All classified laborers transferred from the lump funds to the statutory rolls are hereby placed in the classified service without further examination in the grades and at the rates of compensation provided for in this Act.
